JASON RABY NOW A PARTNER IN ARTICULATE SOLUTIONS

GILROY, CA – JUNE 25, 2013 – Jason Raby has recently been named a full partner in Articulate Solutions, Inc., southern Silicon Valley's leading design and communications agency. As the firm's Technical & Art Director, Jason will sit on the Board of Directors and will share leadership and management duties with company founder and Executive Creative Director Katherine Filice.

Jason was born and raised in Gilroy, and he first worked for Articulate Solutions as a summer intern in 2004. After earning his B.A. in Communication Design with an emphasis in Graphic Design, he joined the company as a full-time designer and web developer. In his eight years with the company, Jason has contributed his design expertise as well as technical skills to a number of award-winning projects.

Upon announcing the news, Jason Raby said, "I am excited to become a partner in Articulate Solutions and to invest in my future with people I truly care about. The Articulate Solutions team has been like a family to me, and I look forward to helping guide the company's future growth as we expand into more advanced interactive design, social media, and search engine optimization."

Katherine Filice, the CEO and Executive Creative Director of Articulate Solutions, said, "Bringing Jason on as a partner gives a strategic future to our company. As a leadership team, Jason and I are dedicated to moving the company forward into new markets and technologies while building on the experience, expertise, and creative energy that have been the foundation of our success. And, as our longtime customers already know, it is truly a pleasure to work with Jason. I can't wait to see where Articulate Solutions can go from here"

"This is a wonderful example of talent and excellence growing in the Gilroy business community," said Lloyd Lowrey, an attorney with Noland, Hamerly, Etienne & Hoss who serves as the legal advisor for Articulate Solutions and consulted on the company's restructuring.
