ARTICULATE SOLUTIONS WINS BIG AT INTERNATIONAL DAVEY AWARDS

GILROY, CA – JANUARY 21, 2008 – Gilroy's distinguished marketing and design firm, Articulate Solutions, received three of the highest honors at the 2007 International Davey Awards, an international design competition that recognizes the creative excellence of smaller agencies and companies worldwide. The Davey is judged by the International Academy of the Visual Arts, an exclusive organization of top-tier professionals from acclaimed media, advertising and marketing firms.

Competing against over 4,000 entries from around the world, Articulate Solutions took home two Gold Awards for Art Direction/Graphic Design and Book Cover Design for "Tarawa's Gravediggers" and a Silver Award for its Rancho Abeja logo for local developer Wellington Corporation. "Tarawa's Gravediggers" is set to publish this month.

"My team is committed to producing top-level and we are thrilled to be recognized with these prestigious awards, which we share with our amazing clients," said creative director Katherine Filice.
